

# DUOLITH® SD1 ULTRA Modular System

Superior and Precise Performance for the Treatment of Acute and Chronic Musculoskeletal Pain

**The Most Advanced Radial Pressure Wave + Focused Shock Wave  
+ Diagnostic Ultrasound Modular System**

Powered by STORZ Medical

Regenerative Medicine Redefined

# DUOLITH® SD1 ULTRA Modular System

All in one system! The DUOLITH® SD1 Ultra system represents a clear modular concept that provides medical professionals with the amazing ability to customize and combine Radial Pressure Wave (RPW) and Focused Shock Wave (FSW), complementary vibration and vacuum therapies, as well as the option to integrate diagnostic ultrasound imaging.

## DUOLITH® SD1 TOWER ULTRA Radial Pressure Wave System

### General data:

- Dimensions (WxHxD): 23"x50"x26"
- Weight (including trolley): 130 lbs.
- Compressor, integrated
- 15.4" touch screen
- Diagnostic ultrasound imaging (optional): 1.5–15 MHz
- Drawer module "Store Case" (optional)

### RPW Module:

- Pressure: max. 5 bar, frequency: 1–21 Hz
- "Skin Touch" function
- V-ACTOR® handpiece (optional): 1–50 Hz
- VACU-ACTOR® technology (optional)

### Handpieces:

RPW + V-ACTOR HF + VACU-ACTOR® + US (optional)

## DUOLITH® SD1 TOWER ULTRA Focused Shock Wave System

### General data:

- Dimensions (WxHxD): 23"x50"x26"
- Weight (including trolley): 132 lbs.
- 15.4" touch screen
- Diagnostic ultrasound imaging (optional): 1.5–15 MHz
- Drawer module "Store Case" (optional)

### FSW Module:

- Standard energy range: 0.01–0.55 mJ/mm<sup>2</sup>
- Extended energy range (optional): 0.03–1.24 mJ/mm<sup>2</sup>

### Handpieces:

FSW + US (optional)

## DUOLITH® SD1 TOWER ULTRA RPW + FSW Combined System

### General data:

- Dimensions (WxHxD): 23"x50"x26"
- Weight (including trolley): 183 lbs.
- Compressor, integrated
- 15.4" touch screen
- Diagnostic ultrasound imaging (optional): 1.5–15 MHz
- Drawer module "Store Case" (optional)

### RPW + FSW Modules:

See DUOLITH® SD1 TOWER ULTRA – RPW system and DUOLITH® SD1 TOWER ULTRA FSW system

### Handpieces:

RPW + FSW + V-ACTOR® HF + VACU-ACTOR® + US (optional)
